Hello Mr. De Luccia:

I was out of the office for the last week otherwise I would have replied sooner. My comprehensive letter, in progress, addresses all of Unimatic's 2005 reports. I will copy you on the forthcoming NJDEP correspondence that is addressed to Mr. Friedman.

Please call me with any questions.
Sincerely, Gene

Mr fowler

I wanted to touch base with you, We spoke several months ago in reference to my property, formerly the Unimatic site. Can you give me an update on what is happening with the site. I understand that the RAW that was submitted was not acceptable. Where do we stand at this point because nothing seems to be progressing. Any information would be appreciated.

Regards

Dean De Luccia
